### Your time here will look something like this...

The 10-week Summer internship program will include intensive training, real-world experience, senior executive exposure and an excellent opportunity to develop your skills with the core business areas

### We provide you with the knowledge and skills you need to succeed.

We're committed to teaching you the ropes. The Summer Analyst Program trains and cultivates key pipeline for our Full-time Analyst Program. Summer Analysts will be part of a 10-week program will be assigned in Citi's key businesses or functions allowing them to work on project for an in-depth and immersive experience. Summer Analysts will also go through trainings that will provide essential skills knowledge as well as a comprehensive orientation to Citi's culture. To support your growth, you will also participate in buddy programs, networking events, speaker series, and other structured development opportunities.

### We want to hear from you if...

- \* You are in your penultimate year of university pursuing a degree in any discipline (graduating between Dec 2022 - June 2023). Students with strong academic record from all disciplines are welcome
- \* You have demonstrated strong leadership, teamwork, and communication skills
- \* You have a strong understanding of the global banking landscape and place a priority on client service
- \* You are authorized to work in Korea who is fluent in Korean and English

**Who we think will be a great fit...**

A dedication to learning and a true passion for the business are vital. As industries all over the globe continue to restructure and grow, we are hiring Analysts who have a global perspective on the future of banking and want to make an impact on the corporate level. We value diversity and so do you. We'll also be looking for the following:

- \* Enthusiasm, competency, and innovation
- \* Strong interpersonal and relationship-building skills
- \* High level of personal integrity, commitment to excellence, and a strong desire to learn
- \* Someone with a global outlook
