

Internship Recruiting

Mercedes-Benz Mobility Korea

Mercedes-Benz Mobility Korea has been established in 2019 to provide premium mobility solutions. To capture market share in the fast-growing car rental and car sharing business, the entity focuses on premium long-term car rental service, and aims to provide high-quality mobility products and services that meet the needs of the Korean market.

By participating in the internship, you will have the opportunity to experience a real global business environment. You will support tangible projects in the department along with mentoring and training.
